## Ten (10) Essential Health Benefit (EHB) Categories

- Ambulatory patient services (outpatient care you get without being admitted to a hospital)
- Emergency services
- Hospitalization (like surgery and overnight stays)
- Laboratory services
- Mental health and substance use disorder (MH/SUD) services, including behavioral health treatment (this includes counseling and psychotherapy)
- Pediatric services, including oral and vision care (but adult dental and vision coverage aren't essential health benefits)
- Pregnancy, maternity, and newborn care (both before and after birth)
- Prescription drugs
- Preventative and wellness services and chronic disease management
- Rehabilitative and habilitative services and devices (services and devices to help people with injuries, disabilities, or chronic conditions gain or recover mental and physical skills)
